Managing information and documents in mediation: best practices and common pitfalls

Josephine Hadikusumo and Michael McIlwrath, two unique profiles, well acquainted with both mediation and arbitration techniques, and prominently respected as in-house Corporate Counsel, will share their experiences of and expectations with respect to both mediators and lawyers assisting as mediation advocates, with a particular focus on managing information and exchanging document. All stages of the mediation process will be covered, from pre, in, up to post-mediation issues: preparing for mediation or for making an offer to mediate, drafting papers for maximising impact; handling and sharing information.

The following issues to be discussed will include:

- How much is too much or too little?
- What are the required, expected or desired levels of information sharing?
- How should confidentiality be managed?
- Are these avoidable from both mediator and mediator advocate perspectives?

In addition to the two in-house speakers, Jil Ahdab will also bring his private practice input to compare arbitration and mediation as far as sharing documents are concerned, but will also tell us about what the recent French law on ADR's has to offer in that field.

If we obtain the benefit of any tax credit or other relief by reference to any such deductions or withholdings, then we shall repay to you such amount as, after such repayment has been made, will leave us in no worse position than we would have been had no such deductions or withholdings been required.

Conference sell-outs

The IBA places its conference in venues of a suitable size for the event; however there are times when our conferences may sell out. Should this happen, prospective delegates will be informed and a waiting list will operate. Provided you have cancelled your registration to attend an IBA conference in accordance with the terms of the 'cancellation of registration' clause included in the 'Information' section of the relevant conference programme, you must then confirm to us in writing at the IBA office as soon as possible but in no event later than one year (12 calendar months) from the date of any such conference all necessary details to enable any reimbursement owed to you to be paid. We regret that no refunds will be made after the date that is one year (12 calendar months) after the date of the relevant conference.

Travel arrangements and visas

Participants are responsible for making their own travel arrangements. It is recommended that you check your visa requirements with your local embassy or consulate. **We are unable to dispatch visa invitation letters to support your visa application prior to receipt of your registration form and full payment of registration fees.**

Please apply for your visa in good time.

Continuing Professional Development/Continuing Legal Education

*The number of CPD/CLE hours available may vary depending on the rules applied by the members' bar association/law society on time recording criteria.

For conference delegates from jurisdictions where CPD/CLE is mandatory, the IBA will provide a Certificate of Attendance for the conference. Subject to CPD/CLE requirements, this can be used by conference delegates to obtain the relevant number of hours' accreditation.

A CPD/CLE Certificate of Attendance is available to conference delegates on request. Please ask at the IBA conference registration desk for information on how to obtain the certificate.

Double room: €155

Reservations should be made via the hotel web link cwp.marriott.com/milit/ibaarbitrationday2017. The hotel requires a credit card number to secure your reservation.

Unauthorised Accommodation Agents

It has been brought to our attention that there are multiple companies contacting past attendees, claiming to represent the IBA, offering 'assistance' with registration and hotel bookings.

They are operating by cold-calling and spamming companies whose names have appeared on previous List of Participants, Programmes and Sponsorship recognition. The only Accommodation Agent the IBA works with is Judy Lane ICS. Judy Lane ICS do not contact delegates on behalf of the IBA without delegates making initial contact. Please ignore any communication that does not come directly from the IBA or Judy Lane ICS.

Cancellation and no-show policy

Accommodation cancellations may be made with the venue without charge up until 7 days prior to the arrival date.

Please note that in the event of any cancellations or no-shows, rooms will be charged to the individual guest's credit card given at the time of booking.

Please note that any reservation made after 3 March will be subject to availability and cannot be guaranteed at the special IBA rate.

As a limited number of rooms have been blocked at the hotel, availability cannot be guaranteed once the room block is full.

Delegates are responsible for making accommodation reservations directly with the hotel and entering into an agreement with the hotel regarding credit card guarantees, cancellation terms and conditions, and room rates (should these differ from the special IBA rate). The IBA cannot accept responsibility for hotel accommodation disputes between a delegate and the hotel.

Disabled access

The Hotel is wheelchair accessible. Please notify us if you require special assistance.

The organisers may at any time, with or without giving notice, in their absolute discretion and without giving any reason, cancel or postpone the conference, change its venue or any of the other published particulars, or withdraw any invitation to attend. In any case, neither the organisers nor any of their officers, employees, agents, members or representatives shall be liable for any loss, liability, damage or expense suffered or incurred by any person, nor will they return any money paid to them in connection with the conference unless they are satisfied not only that the money in question remains under their control but also that the person who paid it has been unfairly prejudiced (as to which, decision shall be in their sole and unfettered discretion and, when announced, final and conclusive).

International Bar Association

the global voice of the legal profession

The International Bar Association (IBA), established in 1947, is the world's leading organisation of international legal practitioners, bar associations and law societies. The IBA influences the development of international law reform and shapes the future of the legal profession throughout the world. It has a membership of more than 80,000 individual legal professionals and 190 bar associations and law societies spanning all continents and has considerable expertise in providing assistance to the global legal community.

Grouped into two divisions – the Legal Practice Division and the Public and Professional Interest Division – the IBA covers all practice areas and professional interests, providing members with access to leading experts and up-to-date information. Through the various committees of the divisions, the IBA enables an interchange of information and views among its members as to laws, practices and professional responsibilities relating to the practice of law around the globe. Additionally, the IBA's world-class conferences provide unrivalled professional development and network-building opportunities for international legal practitioners, senior business professionals, regulators and government officials.

The IBA's Bar Issues Commission provides an invaluable forum for IBA member organisations to discuss all matters relating to law at an international level.

The IBA's Human Rights Institute works across the Association to promote, protect and enforce human rights under a just rule of law, and to preserve the independence of the judiciary and the legal profession worldwide.

Other institutions established by the IBA include the Southern Africa Litigation Centre and the International Legal Assistance Consortium.

IBA Arbitration Committee overview

The Arbitration Committee focuses on laws, practice and procedures relating to the arbitration of transnational disputes. Through its publications and conferences, the committee seeks to share information about international arbitration and promote its use and improve its effectiveness.

IBA Arb40 Subcommittee overview

Following the success of recent symposia hosted by the Arbitration Committee aimed at young practitioners coinciding with the annual IBA conference in Dublin and the Arbitration Day Conferences in Stockholm and Bogota, this initiative reflects the Arbitration Committee's aim of engaging more actively with the younger members of the arbitration community. It is inspired by the success enjoyed by the IBA's Young Lawyers Committee established in 2004 which has enabled young lawyers to join the association and become active and engaged in its various committees, groups and initiatives.

The Arb40 Subcommittee will leverage the wide reach of the Arbitration Committee's membership to provide a platform for the younger members of the global arbitration community to meet, exchange ideas and learn from peers and more experienced practitioners. The Subcommittee will become one of the permanent subcommittees of the Arbitration Committee. In addition to organising symposia to coincide with the annual IBA and Arbitration Day conferences, the Arb40 subcommittee will enjoy a broad mandate to organise other standalone events and training seminars, establish task forces dealing with issues of specific interest to young practitioners, and to educate practitioners on the use of the IBA's rules and guidelines.

European Regional Forum overview

The European Regional Forum has been developing and strengthening the existence of the IBA within the whole of Europe by promoting the goals of the IBA to members, non-members and others, disseminating professional know-how, and assisting the committees and other constituencies of the IBA to increase their presence in different European regions, parts of North Africa and the Middle East.

The goals of the forum include addressing current and long-term needs of professional organisations and individual members within the geographical reach of the Forum, as well as increasing membership and participation in the IBA and integrating them within the organisation. The Forum will also facilitate cross-border activity between lawyers and bars in different European countries. The Forum has a particular focus on cross-disciplinary activities.
